**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to use a smaller, competitive ISP because they treat me as an important part of their business. I get faster responses to inquiries, better customer service, and lower rates because of the greater competition.

Finally, as one of the most successful free-market capitalist countries, the United States of America should be promoting competition everywhere, and not caving to the demands of a few big ISPs which would turn yet another market into an oligopoly.

Please conserve and defend competition in the ISP space.

Thank you.
